

FURDA CLEARANCE & LOGISTICS PROFILE

A large container ship is shown sailing on the ocean. The ship is black with a red hull and is heavily loaded with colorful shipping containers (yellow, orange, blue, and red). The ship's superstructure is white. In the background, there are mountains and a smaller blue ship. A semi-transparent dark grey box with white text is overlaid on the ship.

FURDA WAS ESTABLISHED IN 2015

About Us

The principal activity of the company is handling, clearing and forwarding as well as delivery of goods to the country at entry points of Somalia mostly airports. We created this clearing service with a focus on optimal deliverability and exceptional customer services.

Furda provides the tools necessary to achieve maximum satisfaction for all freight forwarding and Some of which is our cargo tracking system and up-to-date communication enable us to stay right in touch with our clients, updating them their cargo's movement and progress every step on the way, to enable us to deliver immediately upon the arrival of the cargo at warehouse in a safe, exact and timely manner.

Furda Ltd is one of the leading local freight forwarding and clearance company.

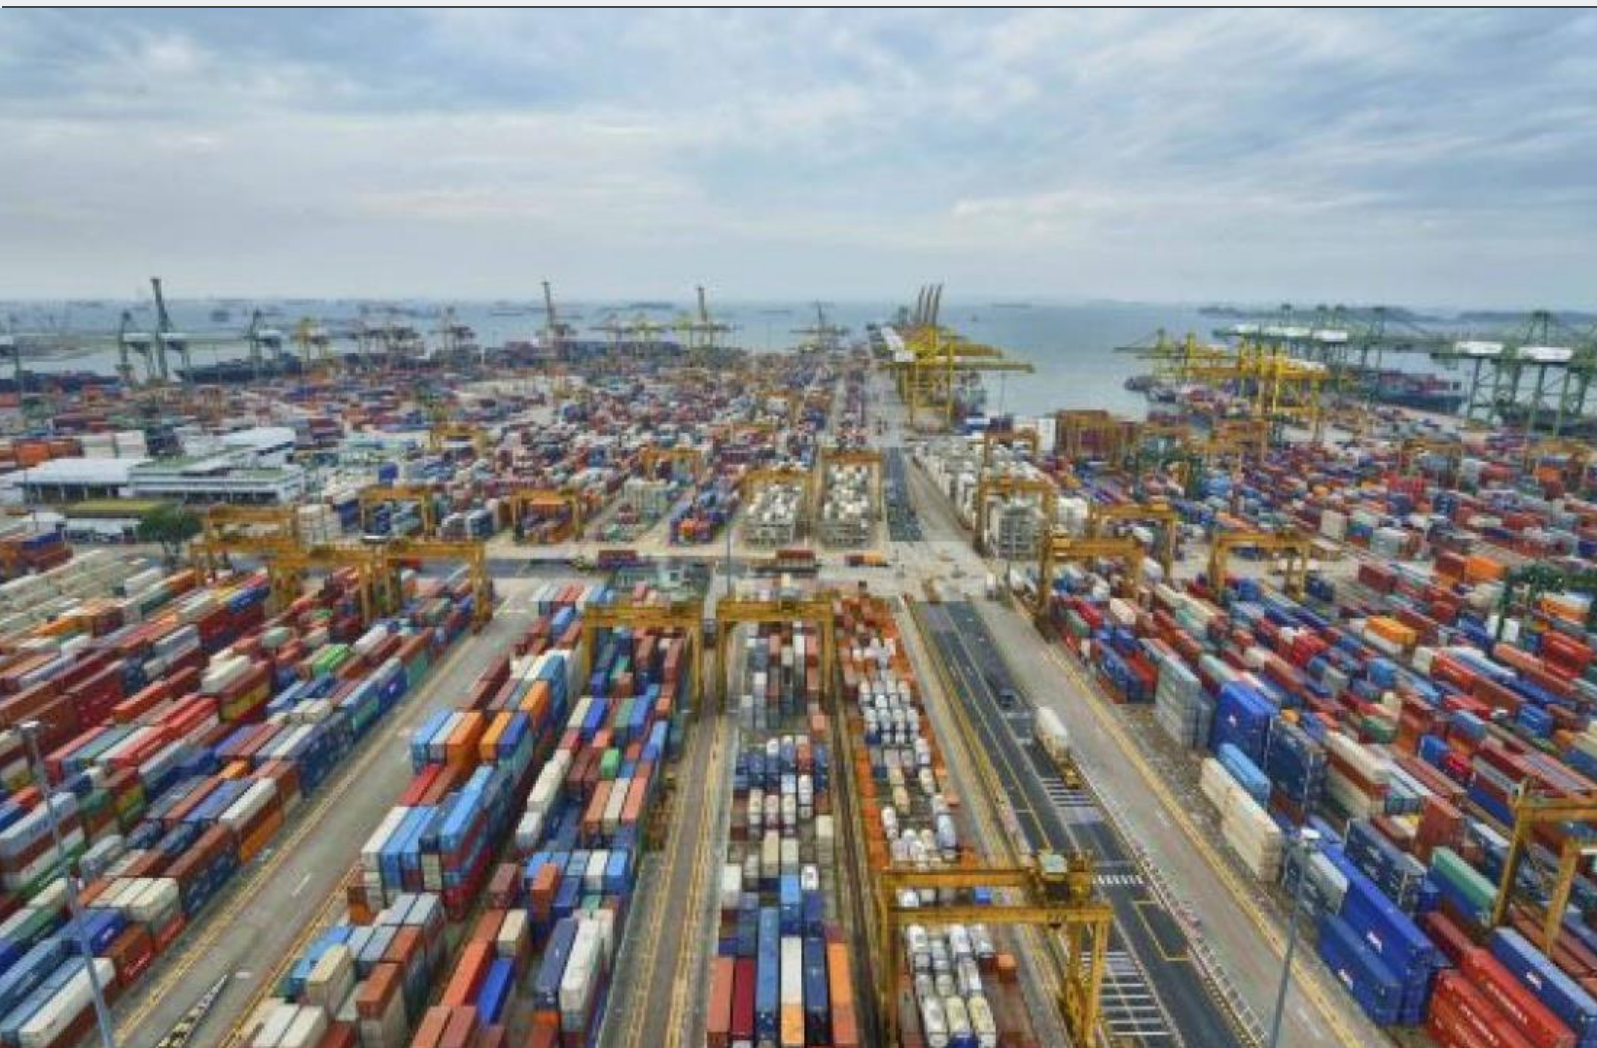

We have been doing successful freight forwarding and clearance services for the most recognizable businesses in Somalia, we have developed a unique way of rendering our service.

Clearing services require unique expertise, deep inside knowledge, and proficiency that businesses can trust. We are proud to have achieved a beneficial relationship with our clients and that is why Furda Clearance is the preferred choice of many companies in the country

Our in-depth knowledge of cargo handling and clearing, coupled with our local & international network of experts makes us a strategic partner in a smooth shipping experience.
